

Kyle Combs Scholarship

History: Kyle Combs worked as a Patient Care Technician in Miami Valley Hospital's Advanced Care Unit. He was an energetic, caring young man whose dream was to become a nurse. His plans were tragically cut short when he passed away in a car accident. In his memory, Kyle's parents established a clinical education endowment through the Miami Valley Hospital Foundation. The endowment was funded by an annual golf scramble in Kyle's memory. Kyle's dream of serving patients along with his colleagues lives on through the educational opportunities made possible by this scholarship.
