Premier Health CARES
EMPLOYEE GIVING CAMPAIGN
21 Days. 13,000 Heroes. Countless Reasons to Give.

It goes without saying that the past year has been extremely difficult. The challenges we have faced in our community and across the country in just over 12 months has tested our resolve in a way that was previously unimaginable for many of us. And yet, if it has taught us one thing, it's that **our ability to make a difference is limitless**, whether individually or collectively. It is also important to acknowledge that the past year has brought into clear **focus the power of caring about our friends, neighbors, patients and colleagues**

Premier Health's Hospital Foundations' *Employee Giving Campaign* gives employees an opportunity to show how much they care by supporting a need that is close to their heart. You can do this by making a donation to benefit our employees and patients through programs, scholarships or equipment.

Your support of the services and programs that have come to mean so much to us and our patients is critical, and also helps to fulfill our mission of building healthier communities.

Thank you for your support of our co-workers and patients through the Premier Health *Employee Giving Campaign*. Your donation, no matter the size, is a wonderful opportunity for you to make an immediate and meaningful impact on the lives of others!
